Abstracts are now being accepted for the Chemical Mechanical Planarization Users Group (CMPUG) April 11, 2019 Symposium on Advances in CMP Consumables, Materials and Tools. The symposium will provide an international forum for academic researchers, industrial practitioners and engineers from around the world for the exchange of information on state-of-the-art research in CMP semiconductor technology. The CMPUG promotes the exchange of opportunities, ideas, friendly relationships and research collaboration. The areas of focus for this meeting will be the following:

- CMP consumables and materials
- CMP Polishing and Metrology Tools
- CMP Process Integration

**Abstract/Presentation Submissions**

Please submit an abstract (less than 200 words) of your presentation **by March 27, 2019** to the meeting Co-Chairs, Andy Carswell, [acarswell@micron.com](mailto:acarswell@micron.com) and Michael Pevny, [mpevny@mmm.com](mailto:mpevny@mmm.com).

Authors will be notified of acceptance by return e-mail.

**All accepted presenters are required to submit their presentations** in pdf or pptx format, approved by their respective organizations/employers for public release, by April 8, 2019.

*All presentations will be posted on the CMPUG Proceedings webpage within 2 weeks following the meeting.*
